Public / Products Liability £5M Limit of Indemnity.

Employer's Liability cover includes:

Legal liability as an employer for damage and costs in the event of an employee sustaining bodily injury during the course of their employment.

Public Liability cover includes:

Legal liability for damages and costs in the event of bodily injury, accidental damage or loss of property, obstruction, loss of amenities, trespass, nuisance or interference with any right of way, light, air or water arising out of the activities of your business

Products' Liability cover includes:

Legal liability for injury loss or damage where the product supplied was at fault.

The claims are handled by an approved TPA, DWF, with no authority given to Burns & Wilcox.

Complaints handling will be determined by the Binding Authority Agreements.

## Target Market

Our target market is UK commercial clients who have a turnover of between £5m and £100m. All business is placed through professional insurance brokers who we work with to target clients with tailored underwriting solution across specific trade sectors. The underwriting appetite is primarily for constructing/contracting exposures and other exposures that fall within the appetite for our capacity providers and that align with Burns & Wilcox's underwriting experience. Main excluded trades are stand alone demolition, asbestos and offshore.

## Types of customer for whom the product would be unsuitable

This produce would not be suitable for consumer insureds, non-UK clients and clients who do not appoint a professional insurance broker.

## **Any notable exclusions or circumstances where the product will not respond**

Wordings will be reviewed between underwriters and Burns & Wilcox. Standard Exclusion clauses apply. Main exclusions include:-

- The excess(es) shown in the quotation and schedule

## Other information which may be relevant to distributors

The Product is subject to periodic controls which includes a review of management information relating to claims, complaints and renewal retention rates. In addition declinatures and conversion rates are measured and monitored at least on a monthly basis. The complaints volume for the product remain low and root cause analysis undertaken does not indicate that there are systemic issues with the product which may affect customer outcomes or product value.

<b>Date of Fair Value Assessment Completed:</b>	02/5/23
---	---------

### Assessment Outcome:

This is a standard market product arranged and distributed via a regulated broker providing advice to the insured. Each party in the distribution chain providing a service that is commensurate to their remuneration levels. There is nothing in this product that would indicate that fair value is not provided to the customer.

<b>Expected Date of Next Assessment:</b>	01/5/24
